Student Orientation, Advising, and Registration (SOAR)
Description: At SOAR you will begin your transition to UW–Madison. You will learn about academic advising, course enrollment, campus resources, and campus life. You will also register for your fall semester courses.

Pre-Business Academics 101
Description: In this fall information session students will be introduced to major and career planning strategies, course planning requirements and enrollment tips, and academic resources to utilize for a successful school year.
How to register: https://apps.bus.wisc.edu/undergrad/events/signup/

Admissions 101: Application
Description: Learn the basics of the BBA application process, factors for admission, and tips on being a competitive applicant. No registration required.

Pre-Business Academics 102
Description: In this spring information session, students will gain more in-depth knowledge regarding specific business curriculum requirements, fall course selection, and degree planning options such as study abroad and summer course enrollment.
How to register: https://apps.bus.wisc.edu/undergrad/events/signup/

Admissions 102: Résumé
Description: Learn the guidelines and expectations for creating a polished and professional résumé for your BBA application. No registration required.

Application Deadline: Friday, March 25th at 4:30pm

Welcome

WSB Welcome is a week-long series of events designed as an opportunity for first-year and transfer students to discover all that the WSB has to offer during the first weeks on campus. Register at wisconsinuoc.com

Build your Business Foundation

CAREER NAVIGATION SERIES
Career Advisors and WSB Employers will facilitate workshops which give students the tools needed to prepare for life after college and succeed in the business world.

BBA STUDENT ORGANIZATION FAIR
The BBA Student Organization Fair allows students to kick-start their involvement! Students can engage with representatives from more than 50 different business school organizations to learn more about each org and select the org(s) they want to join.

ALC WORKSHOP SERIES
The Accenture Leadership Center (ALC) offers students unique workshops to further develop their understanding of leadership. These interactive workshops allow students to delve into a variety of leadership topics and engage students in gaining practical knowledge and skills.

STUDY ABROAD INFO SESSIONS
Several information sessions throughout the year are offered, which will help you align study abroad with your academic and career goals, choose a program, and prepare your application.

STUDY ABROAD SLAM & OPEN HOUSE
These capstone events will help you learn more about business study abroad programs, meet with past participants, and start planning your international experience.

IGNITE THE POTENTIAL
Ignite the Potential is a two-day, on-campus event designed to help students ignite their business potential through participation in various business-related breakout sessions as well as the opportunity to network with WSB staff members and corporate sponsors.

A MAJOR EVENT
A Major Event is an opportunity for students to learn about the 10 business majors offered within the WSB and the possible career paths related with those majors.

CAREER NAVIGATION SERIES
Career Advisors and WSB Employers will facilitate workshops which give students the tools needed to prepare for life after college and succeed in the business world.

LEADERSHAPE INSTITUTE
LeaderShape is a six-day intensive leadership training that involves large and small group discussions, team building exercises, and activities designed to strengthen students’ personal confidence and leadership potential.
