

# RETURNED PARTICIPANT NETWORK

TOGETHER FORWARD®

International Programs
3290 Grainger Hall
(608) 265-5017
international@wsb.wisc.edu

The Returned Participant Network (RPN) is intended to serve as an additional resource for prospective and future study abroad participants who wish to learn more about our study abroad programs. The students listed on the RPN represent past study abroad participants who have agreed to be contacted with questions about study abroad.

Please note that every student's experience is unique and programs may change from year to year. The views expressed are those of the individuals and do not represent those of International Programs or the Wisconsin School of Business. Remember, while these individuals can help with questions regarding policy and procedures, some questions are best directed towards others (International Programs staff, members of the host institution, or the country's consulate).
