

Wisconsin MBA Exit Pledge

On my honor as a Wisconsin MBA citizen
I will act with integrity and honesty in all matters;
I will work to create justice, equality and prosperity as a global citizen;
I will take responsibility for all of my actions;
I will honor the differences amongst people;
I will fight against corruption where I find it;
I will avail myself to individuals seeking guidance
And I will be true to myself and my ethics.
These principles will guide my actions as I enter the world of business.
This I pledge of my own accord, as a Wisconsin School of Business MBA
